Lake Ecology/Fish Management – Terry Bakewell

2025 MCLP summary was shared – good results

School Section Lake Fish Study was shared for information and as an example

Ed Yount reported:

The inflow sites and outflow sites of HHL were compared. Dam reconstruction took one day to rebuild thanks to many knowledgeable volunteers. Thank You.

A beaver dam off 13 Mile Road is holding lots of water.

Horsehead Lake is currently at 12.2ft

Thanks to Ed for all his past and future work on maintaining lake levels.

Dom T. reported the camera is functioning now and recording lake levels. (The solar batteries were not charging over the winter.

Communication/Newsletter – Tracy Thelen

May 18 is the deadline for news articles.

Lake Infrastructure –

Goose egg destruction permit is in effect. Contact Mike Munsell

Board approved requesting Township support for signs at each end of John Brown and Little John Brown channel.

Horsehead Lake to John Brown dredging permit allows 2 feet deep by 20 feet wide action.

Local help is needed. Contact Dan Carpenter.

Fireworks – Jerry Devenbaugh is retiring. This is his last show. Funding will only be taken until June 1, 2026. Funds received after that date will be refunded.
